MEMORANDUM FOR: Chairman, SIGINT Committee

SUBJECT: DCID 6/3

This requests that you undertake the effort of separating from DCID 6/3 those aspects which are related to security requirements and procedures. I understand that this request was made through the SIGINT Committee Chairman in May 1972 but put in abeyance. My understanding of the scope of the effort is such that I believe you should complete this work by September 14, 1973.
